We're thrilled about our collaboration with local artist Kai Bartesi!

Designed exclusively for LWF and created with help from Huron Woodwork, these unique #kbscript art pieces are perfect for hanging on your wall, or displaying on your mantle or bookshelf. (They also make great gifts.) Best of all, all proceeds from every sale support our ongoing work, which means your purchase is not only beautiful, it's also making a healthy Lake Winnipeg possible!

All items within this collection can be purchased [through our website](#) or by contacting us at our [Winnipeg office](#). Purchased merchandise can be picked up at the LWF office or shipped to you within Canada for an additional cost. Remember to add "shipping cost" to your cart when placing your order and choose the shipping cost associated with the size and description of your item. Please note: Due to fragility and/or weight, we strongly encourage in-person pick-up if at all possible.

Being “at the lake” in Manitoba is something that shapes us. It defines who we are: as people and as a province. It’s something we should cherish and celebrate, together.
