Tickets are now on sale for our Love, Lake Winnipeg raffle!

Created as part of our collaborative fundraising project, [Love, Lake Winnipeg: A tribute to the songs of Sol Sigurdson](#), this is your chance to win amazing prizes and support LWF!

### Prizes:

**1<sup>st</sup> prize: Custom-built acoustic bass guitar with soft case, courtesy of C.F. Casey Guitars (\$2,500 value)**

This unique instrument is made from Sitka spruce, Imbuaya and mahogany, with Indian rosewood, curly walnut and bone details.

Built as a prototype by Manitoba luthier Fred Casey, it has a 14-fret neck length and multiple string scales. It's substantial in size and comes with a lifetime structural warranty and its own soft case. The coolest bass you'll ever own!

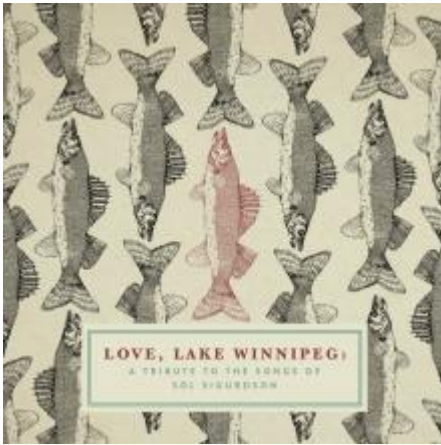

**2<sup>nd</sup> prize: Matted 16" x 25" Lake Winnipeg fine art photograph, courtesy of William Pura (\$500 value)**

Since 2005, artist William Pura has taken thousands of photographs of Lake Winnipeg and the surrounding area. His work explores a wide range of issues regarding the lake and its relationship to the human presence in Manitoba.

This compelling photographic print, titled *Receding Storm*, measures 16" x 25" and has already been professionally matted to a size of 23.5" x 31". We're pretty sure it would look great on your wall.

**3<sup>rd</sup> prize: Music and merchandise from *Love, Lake Winnipeg: A tribute to the songs of Sol Sigurdson* and participating artists (\$200 value)**

This prize package features assorted music from DJ Co-op, Mise en Scene, Scott Nolan, John K. Samson and Jess Reimer, aka the amazing artists who collaborated on *Love, Lake Winnipeg: A tribute to the songs of Sol Sigurdson*.

Also included is a copy of the *Love, Lake Winnipeg* EP, limited-edition T-shirts and art posters, and a vintage vinyl copy of the album that started it all, Riverton singer-songwriter Sol Sigurdson's 1970 cult classic, *The Lake Winnipeg Fisherman*. A must-have for any Manitoba music collector.
