WINNIPEG
FOUNDATION

Walk for Water

Walk for Water is the largest grassroots fundraising event in support of a healthy Lake Winnipeg. Taking place in lakeside communities, these family-friendly, pledged walks are great way to be a part of the solution – and a fun way to spend a day at the lake!

Participating is easy: Use our [Walk for Water pledge form](#) to collect donations from friends, family, co-workers, teammates and other lake-lovers in your life. (LWF provides charitable receipts for donations of \$20 or more.) Then, join us at one our events for some fresh air and exercise – plus, you'll receive a T-shirt and participate in fundraising raffles with prizes!

Unable to attend in person? You can also mail in your pledges and completed pledge form. Or, you can participate online! This is the perfect option for lake-lovers everywhere: simply register as an individual or a team, create a custom fundraising page, then reach out to your digital networks by email or through social media. (Charitable receipts are automatically issued for donations received online.)

When you join Walk for Water, you're supporting evidence-based solutions for our shared waters: funding projects; training citizen scientists; advocating governments; educating students and community groups; and using the Lake Winnipeg Health Plan to address the root causes of harmful algae blooms.

Join us in making a healthy Lake Winnipeg possible, now and for future generations.
