Bike to the Beach 2021

Building on the record-breaking success of [2020's Founders' Ride](#), a group of cyclists will once again challenge themselves to pedal from Winnipeg to Victoria Beach in support of a healthy Lake Winnipeg!

We were overwhelmed by the outpouring of encouragement and community spirit last year and are excited to build on that momentum in advance of this year's fundraising ride. We hope you can join us in supporting these determined cyclists in their efforts!

Bike to the Beach 2021 is planned for Aug. 6. We are closely monitoring all public health notices* to ensure we are following all regulations and are prepared to adapt this event as needed.

Visit the [Bike to the Beach 2021 online campaign page](#) to donate directly to the ride, or to donate to a specific rider through their personal fundraising page!

More information about the 2021 ride can be found on the Bike to the Beach [Frequently Asked Questions page](#).

Thank you to all the riders, volunteers, donors and partners; together, we are translating science into solutions for Lake Winnipeg!
