

**LAKE
WINNIPEG
FOUNDATION**

Events

LWF hosts outreach and fundraising events in communities across Manitoba all year long, with our signature campaign, Walk for Water, taking place each summer. In addition, many lake-lovers choose to independently organize their own activities.

Proceeds raised from fundraising events support LWF's work to restore and protect Lake Winnipeg. Get involved and be part of the solution!

Organize an event

Each year, concerned lake-lovers of all ages and from all walks of life organize their own events in support of a healthy Lake Winnipeg. Proceeds raised from these [events](#) support our ongoing work to restore and protect our great lake.

Use your talents to support LWF and help save Lake Winnipeg! Interested in getting involved but not sure where to start? [Contact us](#) for assistance with promotion and public outreach tools that will help make your initiative a success.
