FOUNDATION

Big Water Launch

Join us for a pint to celebrate Lake Winnipeg and local beer!

As part of our ongoing *This beer tastes best at the lake* summer series, we're partnering up with Barn Hammer Brewing Company for the month of July as they showcase Big Water, a limited-edition, Lake Winnipeg-themed gose. We'll be officially launching it just in time for the July long weekend. So join us Wednesday, June 28 in the Barn Hammer tap room where we'll be serving up some refreshing beers, chatting about Lake Winnipeg and giving away a door prize filled with LWF and Barn Hammer goodies.

And the generous folks at Barn Hammer will be donating \$1 from each Big Water purchase to the Lake Winnipeg Foundation. Giving has literally never been so refreshing.
