

LAKE
WINNIPEG
FOUNDATION

Cycling for Solutions

On Friday, Aug. 21, four amateur cyclists (including Roger Mollot, president of LWF's volunteer [board of directors](#)) will embark on a three-day, 470 km road trip from Winnipeg, Manitoba, to Ontario's Experimental Lakes Area (ELA), one of Canada's primary sources of lake science.

Participants are paying their own expenses while accepting financial pledges for their efforts. All money raised will be donated to LWF!

Donations can be made online through LWF's [CanadaHelps](#) page. Pledgers are being asked to choose "Cycling for Solutions 2015" as the fund they would like to support to ensure their donation is allocated accordingly, and encouraged to share words of encouragement in the "Messages/instructions for Lake Winnipeg Foundation" comment field. Pledges can also be made by calling LWF's office, 204-956-0436.

Riders are aiming to provide updates from the road on the Cycling for Solutions [Facebook event page](#).

Click [here](#) for more info. Good luck to Roger, Brad, Bruce and Pete!
