Gimli Film Festival 2015 - RBC Beach Boardwalk

Join us at the beach in Gimli on Friday, July 24!

In celebration of the 2015 [Gimli Film Festival](#), we'll be taking part in the RBC Beach Boardwalk from 7:30 p.m. until 9:30 p.m., along with the good folks involved with RBC's Blue Water Project. Stop by our table to say hello and learn more about our efforts to restore and protect our great lake!

Make sure to stick around for the free RBC sunset screenings: Friday night is a double-header; *Monty Python and the Holy Grail* will kick things off at 10 p.m., followed up by a midnight screening of *Alien*!
