Inland Sea: photographic works by William Pura

Since 2005, [William Pura](#) has taken thousands of photographs of Lake Winnipeg and the surrounding area. The photographs curated for [Inland Sea](#), Pura's latest photographic exhibition, touch on a wide range of issues regarding the lake and its relationship to the human presence in Manitoba.

Inland Sea opens Aug. 7 at [Gurevich Fine Art](#) (located at 62 Albert St., in Winnipeg) and will remain on display at the gallery until Aug. 27. A portion of the proceeds of all sales from this striking exhibit will be donated to LWF!

In connection with this exhibit, LWF and Gurevich Fine Art will be co-hosting a sure-to-be-interesting panel discussion on Wednesday, Aug. 19, called Lake Winnipeg's Legacy: Framing the Issue. Learn more about this event [here](#).

Thank you so much to both William Pura and Gurevich Fine Art!
