Lake Winnipeg Memories Gallery Launch

This summer we're celebrating cottage life with a vintage photo exhibit curated by you!

Lake Winnipeg Memories launches July 3 at The Beach Exchange, located across the street from Saffies General Store in Albert Beach. Take a trip down memory lane and join in opening up the space. You'll be able to browse through photos and stories from around the lake and hear about our summer events that will be taking place in the area throughout the summer.

Hope to see you there!
