LWF members' meeting

A special LWF members' meeting is being held:

- **Thursday, Oct. 2nd, 2014, 7 p.m.**
- **St. Boniface Library, 100-131 Provencher Blvd., Winnipeg**
- **Room (Salle) Marie Lynne Bernard**

The purpose of this special meeting is to ratify approval of motions made by the Board of Directors, in compliance with the *Canada Not-for-profit Corporations Act*, as required by Corporations Canada.

In order to be in compliance with the act and maintain our charitable status, we need the support of two-thirds of members in attendance at this meeting. New members are welcome; donations of \$50 or more can be made at the door.

After the vote, we will be providing an exciting update on the progress of our Lake Winnipeg Health Plan.
