Manitoba Highland Gathering

Get your Scottish on at this family-friendly festival in East Selkirk! Activities include dancing, piping, drumming, food, markets, heavy games, a “wee folk” area, living history displays and more.

Find us in Legacy Park on Saturday, June 24 – we’ll be there from 10 a.m. to 4 p.m., sharing information about our work to protect Lake Winnipeg and how you can get involved, and selling some of our unique fundraising products!
