## MEC Paddlefest 2016

Join us at [FortWhyte Alive](#) on Sunday, June 5 for [MEC Paddlefest](#) - a celebration of all things paddling-related. This festival features informative clinics in kayaking, canoeing and SUP, kids' activities, paddling demos, the latest gear and gizmos from paddling retailers and manufacturers, community paddling groups, and gear giveaways.

We'll be there all day, talking about our work to restore and protect the health of Lake Winnipeg (which is a great place to paddle!). Come by our table to learn more, or to purchase some of our unique fundraising products!
