Join us at FortWhyte Alive on Sunday, June 10, for MEC's Paddlefest!

This free event features information sessions on kayaking, canoeing and SUP, as well as kids' activities and the newest gear up for grabs.

Come by our table to say hi! We'll be there all day, selling some of our unique [fundraising merchandise](#), and sharing we've been doing lately to restore and protect the health of Lake Winnipeg (which is a great place to paddle!).
