WINNIPEG
FOUNDATION

Pickerel in the Park

The poster features a detailed illustration of a pickerel fish on the left side. To the right of the fish, the text 'PICKEREL in the PARK' is displayed in a blue, serif font, with 'PICKEREL' and 'PARK' on separate lines and 'in the' in a smaller font between them. Below the illustration, the main text reads: 'Join the Lake Winnipeg Foundation for a local fish fry, lake-friendly learning and outdoor family fun!'. This is followed by event details: 'When: Wednesday, Aug. 10, 1 - 3 p.m.', 'Where: Grand Marais Community Central, 3605B Provincial Trunk Hwy 12, Grand Marais and Grand Beach area'. A bulleted list of activities includes learning about zebra mussels, getting practical tips, participating in lake-friendly activities, and enjoying live music. The text 'BYOB (Bring your own blanket!)' is also present. At the bottom, the LWF logo and website 'lakewinnipegfoundation.org' are displayed.

Join us at Grand Marais Community Central on Aug. 10 at 1 p.m. for some lake-friendly learning and a local fish fry!

Learn more about zebra mussels and have all your questions answered by our special guest, provincial Aquatic Invasive Species expert Candace Parks! Then, join us outside on the lawn to enjoy live music - and sample some delicious Lake Winnipeg pickerel! We'll also have fun activities for the kids - plus, we'll have all of our fundraising products available for sale AND we'll be offering the chance to win some great prizes! Truly, there's something for everyone.

We hope to see you on Aug. 10 - and remember, this event is BYOB (that's bring your own blanket)!
