Our Gimli Walk for Water took place on Aug. 9. Community members, cottagers and day-trippers alike came together to participate - and together, we raised \$3,200 for LWF! Thank you so much to everyone who helped make our event so fun.

We had a great time in Gimli - and the weather cooperated, too!

LWF staffer Marlo chats with a supporter.

Our Gimli walk took us down the boardwalk and along the beach!

Lake love, kid-style!

Henna artist Monica created beautiful tattoos in exchange for a donation to LWF.

Ice cream time! Thanks, Kris' Fish 'n' Chips!

LWF director Armand and volunteer Andrea are all smiles!

We appreciate the support of our generous 2015 sponsors who helped make all our Walk for Water events a success!
