We're excited to launch our newest fundraising products: an exclusive line of lake-themed glasses and coasters!

Created in conjunction with our [2017 summer beer series](#), they're a perfect and practical addition to any home or cottage. (Have some lake-lovers in your life? They also make great gifts!)

Choose between two distinct coaster sets - one featuring local wildlife and script art by K.BARTESKI; the other featuring a series of symbolic lake designs - or purchase any two sets and save \$4 off your total!

Our glasses also come in two designs: K.BARTESKI script art and Lake Winnipeg's iconic outline. Buy them individually - or as a set of four to save \$5 off your total!

Details and dimensions:

- Coasters are made from birch and measure 3.5" square. Each set includes four unique coasters.
- Glasses hold 16 oz each, and are stackable and dishwasher-safe up to 500 washes.
- Purchased products can be picked up at the LWF office or shipped to you within Canada for an additional cost. Please note: Due to fragility, glasses are available for in-person pick-up only.

You can purchase your [coasters](#) and [glasses](#) online, or by calling us at the LWF [office](#). We'll also be taking them with us to lakeside communities this summer; check out our [online calendar](#) to see when we'll be near you!

This summer, cheers to the lake in style!
