*We are continuing to post responses as we receive them.

No response from your candidates?

Our future federal decision-makers need to understand that Lake Winnipeg needs immediate action. Help us remind them. Contact the candidates in your riding and [ask them our questions](#). Go to [Election Canada's website](#) to find out who's running in your area.

[Learn more about the federal action plan](#) created by LWF and the Lake Winnipeg Indigenous Collective - then, join us in advocating for action.
