Our [Annual General Meeting](#) is taking place on Tuesday, April 24, at FortWhyte Alive.

The 2017 annual report, as well as proposed revisions to our organizational by-laws, are now online for your review. Click [here](#) to read the report, and [here](#) to read the proposed revised by-laws. (To read our current by-laws, click [here](#).)

FYI, past year's annual reports can be found [here](#).

At this year's AGM, members in good standing will vote on a motion to approve the revised bylaws and elect LWF's 2018/19 board of directors. We'll also provide an update on our activities - and impact - over the past year, announce the newest recipients of LWF's grants program, and hear from guest presenter Tom Janzen, who will share the results of a 2017 assessment of residential and cottage property values around Lake Winnipeg's south basin.

If you are unsure of the status of your membership, please don't hesitate to [contact us](#) - we're happy to help! Or, simply come to the AGM and we can check your status when you register. (A reminder, all donations of \$50 or more include a one-year LWF membership. A charitable tax receipt is issued for every donation of \$20 or more.) There is no need to RSVP.

We hope to see you on April 24!
