In recognition of World Water Day (March 22), the Lake Winnipeg Foundation and the [Lake Winnipeg Indigenous Collective](#) will be diving into our collaborative position paper, Five Things the Federal Government Must Do for Lake Winnipeg. Together, we will be discussing our recommendations to meaningfully address the challenges facing the world's 10th largest freshwater lake. This is an opportunity for lake-lovers to learn more about the practical steps needed to protect our shared waters!

When: March 22, 2021, from 12pm – 1pm CDT
