University of Winnipeg

Water Caucus of the Manitoba Eco-Network

West Interlake Watershed District

Westlake Watershed District

Whitemud Watershed District

## **Funders**

The Lake Winnipeg Foundation accepts grants from a wide range of funders in the spirit of collaboration and in recognition that we all have a role to play in supporting evidence-based solutions. We remain steadfast in our commitment to advancing the shared concerns of our members. The funding we accept will never compromise our mission, our organizational values or our on-the-ground efforts to restore and protect the health of Lake Winnipeg and its watershed.
