About 75 people braved the heat and humidity to participate in our first Walk for Water event of 2015 on July 26 in Dunnottar. Not only was it lots of fun but together, we raised over \$5,600 for LWF! Special thanks to all our amazing volunteers and to our celebrity walkers, Canadian water advocate Maude Barlow and country rocker Leanne Pearson.

On Monday, Aug. 4, parents, grandparents, kids and dogs from the beautiful lakeside community of Grindstone Provincial Park took steps to raise over \$2,000 for LWF! These funds will help us continue our work to restore and protect our great lake. Thanks again to everyone who showed their lake love at Walk for Water 2014 Grindstone. See you next year!
